

How many kids does it take to save the world?

Max Einstein is a typical 12-year-old. She...

Goes to ~~school~~ college every day

Plays ~~games~~ speed chess in the park

Builds ~~Lego towers~~ inventions that help the homeless

And ~~learns about~~ talks to Albert Einstein

All normal stuff, right?

Until one day when Max is recruited by a mysterious organization! Their mission: solve some of the world's toughest problems using science. She's helped by a diverse group of young geniuses from around the globe as they invent new ways to power the farthest reaches of the planet. But that's only if the sinister outfit known as The Corporation doesn't get to her first...

The first and only children's adventure novel officially approved by the Albert Einstein Archives.

"Max Einstein is everything you hope young girls can dream to be: smart, brave, creative, and able to inspire others to be the same. I love this book for all kids who want to dream big!"
